Online learning for grades 1-6

An online
learning
option for
families who
prefer a
flexible
program
that
maximizes
choice

The Selma Elementary Virtual Learning Academy offers choice, flexibility, personalized learning, and online and on-site activities. Students will regularly "meet" with our certified district teachers. Edgenuity is our engaging curriculum, and students will be able to participate in campus activities, like sports and field trips, if they wish!

Indianola Elementary is the home for our Virtual Learning Academy.
