Students Enjoy Busy Spring Break

A review of spring break camp offered through the Extended Learning Opportunities Program highlighted the fun and experiences hundreds of students enjoyed.

The four-day camp was filled with activities like art, hands-on science, music, sports and for high school students, driver's education.

Students also attended field trips to the Monterey Bay Aquarium, McDermont's Field House, Aerozone Trampoline Park, Fresno Chaffee Zoo, and NASA's Ames Research Center in Mountain View.

Summer "camp" registration is now open. Scan the QR code under the photos.

Wrestling Facility Exploration Approved

After a brief discussion, the school board approved the following: "Staff to explore options for potential wrestling practice facilities with a commitment to the wrestling facility at a future date subject to identification of funding and further planning."

Selma Unified is updating its Master Facilities Plan with the wrestling facility to be discussed along with other facility needs. Many school sites are dated and require major renovations to restrooms, classrooms and school site infrastructure.

Through the master planning process, priorities are identified based on need and on available funding. The complete master plan will be presented at an upcoming Board meeting.
**District's Offer to SUTA Outlined**

At a recent board meeting, several speakers shared their thoughts regarding the District’s proposal to SUTA. To provide clarity, the Superintendent outlined the details of the proposal including proposed salary increases, a staffing change for foggy day schedules, and class size caps.

The full presentation can be seen [HERE](#).

**2023-2024 Selma Adult School Calendar Approved**

The Board of Trustees approved the 2023-2024 Adult School calendar. Registration for adult school begins on August 7 and classes will start on August 21 for the fall semester.

Christine Ortega, Director of Business Services

---

**2024-2025 School Calendars Adopted**

A survey of parents and staff was conducted to determine the 2024-2025 Selma Unified calendar. The calendar approved by the Board of Trustees has certificated teachers returning to school on Thursday, August 9, 2024, with the first day for students of Thursday, August 16, 2024. The calendar has a one week break for Thanksgiving recess, three weeks for the Winter Break, and one week for Spring Break. The last day of school will be June 6, 2025.

**Other Board Actions**

The Grounds Department will get a large new mower to replace a current one that is quite old and has repeated breakdowns of current equipment. The larger mower allows more grass to be mowed more quickly.

Summer school curriculum will be purchased for the AVID Summer Bridge program for incoming 7th through 9th graders at Abraham Lincoln Middle School and Selma High School.

Construction inspection and testing services provided by RMA GeoScience were approved for the Multi-Shade Structure project. The first will test and inspect earthwork, concrete, and high strength bolting torque.
