Within ten (10) days after the grievance has been received by the Assistant Superintendent, Instruction/Personnel, the grievance shall be discussed at a meeting with the Assistant Superintendent, Instruction/Personnel, the grievant, an Association representative, and the Grievance Chairperson. A topic covered at the Level 2 meeting may be discussed with the grievant's immediate supervisor. Within ten (10) days of the Level 2 Grievance Meeting, the Assistant Superintendent, Human Resources, shall respond in writing to the grievant on the appropriate form with a copy to the Association and the immediate supervisor.

D. **Level 3 Mediation** - The District shall inform the Board of Trustees of all grievances that advance to the mediation level and beyond. If the grievant is not satisfied with the Level 2 decision, he/she may request the appointment of a mediator from the California State Mediation and Conciliation Service. The mediator shall meet promptly with all interested parties and attempt to resolve the grievance. The mediator may choose to issue a written statement in conjunction with his/her attempts to resolve the grievance. In any event, the mediator will have no power to add to, subtract from, or modify the terms of this agreement, or the written policies, rules or regulations, and procedures of the District. The
mediator's findings, recommendations, and conclusions are advisory only. If the grievant is not satisfied with the resolution proposed by the mediator, or if the District does not accept the resolution proposed by the mediator, the grievant may request that the Association submit the grievance to arbitration.

E. **Level 4 Arbitration** - If not satisfied with the decision at Mediation, within ten (10) days after receipt of the Mediation decision, the aggrieved party may request that the Association submit the grievance to arbitration. The Association, by written notice to the Assistant Superintendent, Human Resources, within ten (10) days after receipt of the request from the grievant, may submit the grievance to arbitration. The Association shall retain full and complete authority to determine whether or not a grievance shall be forwarded for arbitration.

The parties shall select a mutually acceptable arbitrator. Should they be unable to agree upon an arbitrator within fifteen (15) days of the Association's submission of the grievance to arbitration, the parties shall request the California State Mediation and Conciliation Service to supply a panel of five (5) names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one (1) name remains. The remaining panel member shall be the arbitrator. The order of the striking shall be determined by lot.
ARTICLE VII - Page 5

The arbitrator shall, as soon as possible, hear the evidence, and render a decision on the issue or issues submitted to him/her. If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issues by referring to the written grievance and the answers hereto at each step.

The arbitrator shall have no power to add to, subtract from, or modify the terms of this Agreement. After a hearing and after both parties have had an opportunity to make written arguments, the arbitrator shall submit a written decision to all parties setting forth his/her findings of fact, reasoning, and conclusion on the issues submitted. The decision shall be final and binding. All fees and expenses of the arbitrator, including, but not limited to, per diem expenses, his/her travel, and subsistence expenses and the cost of any hearing room will be borne equally by the District and the Association. All other costs will be borne by the party incurring them.

3. Representation
   A. No employee shall be required to be represented by the Association in processing a grievance.
   B. An employee may request that the Association represent him/her in all stages of the grievance.
   C. Neither the Association nor the District shall take any reprisals or unlawfully discriminate against any employee for exercising rights under this article.
   D. If an employee pursues a grievance without the intervention of
the Association beyond the Informal Level, the grievance shall not be considered resolved until the Association has received notice of the grievance and the proposed resolution and has been given an opportunity to file a written response.

E. Designated Association representatives shall receive time off from duties without loss of compensation for the purpose of processing grievances beyond the Informal Level subject to the following conditions:

1. No later than ten (10) days following the ratification of this agreement, the Association shall designate in writing to the Superintendent no more than two (2) employees who shall be entitled up to three (3) days, or a total of twenty-one (21) hours, of time off as Association grievance representatives. Said designation may be changed once a year on or before October 1 and at other times during the year by mutual agreement with the District.

2. The representatives shall record their absences on the District's automated absence verification system twenty-four (24) hours prior to release from duties in order that a substitute may be obtained, unless a conference is scheduled between the grievant and the administration with less than twenty-four (24) hours-notice to the grievant.

3. Such time off shall be limited solely to representing a grievant in a conference with a management person
beyond the Informal Level and in no way shall this include the use of such time for matters such as gathering information, interviewing witnesses, or preparing a presentation.

4. No more than one (1) representative per grievance at Level 1 shall be released at a time.

5. No more than two (2) representatives per grievance at Level 2 shall be released at a time, one of whom shall be the Grievance Chair.

6. The Association Grievance Chair and President, or their designees, shall receive release time for grievances for mediation and/or arbitration.

4. Class Grievance

A. A class or group grievance may be filed when one set of circumstances or occurrences affects more than one (1) grievant in the same manner or to the same extent.

B. Processing of a class grievance shall follow the procedures as set forth in Paragraph 2, with the following modifications:

1. For purposes of filing a formal written grievance and appeal thereon, the class grievant may file one (1) document which all the members of the class have read and signed. Members of the class or group shall be limited to those who have signed the grievance.

2. Conference and hearings in the grievance processing procedure may be held with each member of the class individually or with the class in whole or in part, at the
ARTICLE VII - Page 8

option of the District, as long as each member of the class has an opportunity to meet with the administration pursuant to Paragraph 2.

3. At any level in the grievance process, unit members who consider the grievance to be resolved may remove themselves from the process with electronic notification to the SUTA Grievance Chair, who shall provide said notification to the Assistant Superintendent, Human Resources.

4. The grievance shall continue to move through the progressive levels until all parties consider the grievance resolved.

5. Special Provisions

Upon mutual agreement between the Association President, the Grievance Chair, and the Assistant Superintendent, Human Resources, grievances that cannot be resolved at a site or department level may bypass the Informal and Level I stages of the grievance process and move directly to Level 2.

6. Time Limits

A. Failure by a grievant to meet a deadline set in this agreement shall terminate the grievance, and the grievant shall not have a right to re-file on the same set of facts.

B. Failure by the District to meet a deadline set in this agreement shall give the grievant the right to proceed to the next grievance processing level.

C. Time limits in this agreement may be extended by mutual
written agreement between the grievant and the District administration.

D. Timelines begin on the first day following receipt of any level of
the grievance, with a day being defined as a whole day during
which the unit member is contracted.

7. Grievance Forms

Grievance forms shall be mutually created and revised by the
Association and the District. Copies of the forms shall be
maintained by the District and found in Appendix E. Electronic
forms shall be made available to all employees. It is the
responsibility of the grievant and respondent to distribute all
designated copies.

8. The District shall inform the Board of Trustees of any grievance
that advances to the mediation level and beyond, and shall
provide, for review only, all documentation and responses compiled
by the District and the Association, if requested by the Board of
Trustees. The Board of Trustees shall be informed of the outcome
of mediation and the arbitrator's decision.
ARTICLE VIII - LEAVES

1. Personal Illness and Injury Leave (Sick Leave)
   
   A. Full-time unit members shall be entitled to eleven (11) days leave with full pay for each school year for purposes of personal illness or injury. A unit member who works less than full time shall be entitled to earn leave in the same proportion as the number of hours worked by the unit member who works a full-time assignment.

   B. Unused sick leave shall accrue from school year to school year and is transferable from district to district. It is the unit member's responsibility to request the transfer of unused sick leave.

   C. Each unit member shall be notified of accumulated leave monthly.

   D. Summer school teachers who are employed by the District and who complete a full summer school term or other teachers assigned beyond the regular school year will receive one (1) day of sick leave for each additional calendar month of employment.

   E. The District reserves the right to require verification for any absence. When the District has reason to believe that an employee is abusing sick leave, it may require the unit member to obtain verification of illness prior to returning to duty.

   F. Whether or not a substitute is needed, a unit member must contact the District's automated absence verification system as soon as the need to be absent is known, but no later than
6:30 a.m. on the day of the absence. Failure to provide adequate notice may be grounds for denial of leave with pay.

G. Unit members requiring a substitute shall include any certificated general education teacher with a classroom assignment and any Special Day Class teacher.

H. A unit member who is absent for less than a day shall have leave deducted on an hour-by-hour basis to the nearest quarter-hour increment.

I. Sick leave may be used in case of terminal or life-threatening illness of a member of the immediate family as defined in Item 6.B, of this Article. Length and arrangement for this leave will be mutually agreed upon between the unit member and the Assistant Superintendent, Human Resources.

J. A unit member who has no absences during the regularly scheduled work year, with the exception of authorized school business, jury duty, and/or bereavement leave for an immediate family member shall receive a one (1) day incentive premium equal to his/her daily rate of pay.

2. Personal Injury and Illness Leave (Extended Illness Leave)

A. Differential Pay Status: If a unit member has utilized all of his/her accumulated sick leave and is still absent from his/her duties on account of illness or accident, additional non-accumulated leave shall be available for a period not to exceed one hundred (100) work days. The amount deducted for leave purposes from the unit member's salary shall be the amount actually paid a day-to-day substitute employee to fill
the position during the leave; or, if no substitute is employed, the amount which would have been paid to a substitute.

1. Any differential pay status could result in less than a full year of service credit with California State Teachers Retirement System (CalSTRS).

B. Upon exhaustion of sick leave, a unit member who is still unable to return to work shall be placed on a 24-month re-employment list for probationary employees and a 39-month re-employment list for permanent employees. If, at any time during the re-employment period, the unit member is able to return to work, the unit member shall be re-employed in a position for which he/she is properly credentialed, placed on the salary schedule commensurate with units and experience, and given appropriate employment status. Site and grade level placement shall be determined by the District.

3. Leave for Pregnancy Disability

A. Unit members are entitled to use sick leave as set forth in the personal illness and injury policy for disabilities caused or contributed to by pregnancy, miscarriage, childbirth, and recovery therefrom on the same terms and conditions governing leaves of absence from other illness or medical disability. Such leave shall not be used for child care, child rearing, or preparation for child bearing, but shall be limited to those disabilities as set forth above. The length of such disability leave, including the date on which the duties are to be resumed, shall be determined by the unit member and the
unit member's physician who has handled the pregnancy, or,
if this is not possible, by a physician appointed by the District.

B. Unit members are entitled to leave without pay or other
benefits for disabilities because of pregnancy, miscarriage,
childbirth, or recovery therefrom when sick leave as set forth
in the personal illness and injury policy has been exhausted.
The date on which the employee shall resume duties shall be
determined by the unit member on leave and the unit
member's physician; however, the District management may
require a verification of the extent of disability through a
physical examination of the employee by a physician who has
handled the pregnancy, or, if this is not possible, by a
physician appointed by the District. Employees who request
to participate in any temporary duty during the time of the
pregnancy disability must have a doctor's note on file clearing
her participation for that duty.

C. The unit member on leave for pregnancy disability shall be
entitled to return to one of the available teaching position(s)
vacancies that may exist at the time of return, for which she is
credentialed.

D. The District shall not do any of the following because of a
teacher's pregnancy:
1. Refuse to select her for a training program leading to
reassignment or promotion.
2. Discharge her from employment.
3. Bar her from training programs leading to reassignment
4. Discriminate against her in compensation or in terms, conditions, or privileges of employment.

4. Leave for Child-Bearing Preparation and Parental Leave

A. Leave without pay or other benefits may be granted to a unit member in preparation for pregnancy disability. The District shall adhere to all applicable laws relating to differential pay for parental leave.

B. The unit member shall request such leave as soon as practicable, no less than twenty (20) work days prior to the date on which the leave is to begin. Such a request shall be in writing to the Board of Trustees and shall include a statement as to the dates the employee wishes to begin and end the differential pay leave.

C. The determination as to the date on which the leave shall begin and the duration of such leave shall be made by mutual agreement with the Assistant Superintendent, Human Resources, when considering the scheduling and replacement problems of the District.

D. The duration of such leave shall consist of no more than twelve (12) consecutive months and shall automatically terminate on June 30 in the school year in which such leave is granted. An extension of leave may be granted, not to exceed an additional twelve (12) months.

E. A unit member on pregnancy disability leave or leave for parental leave may continue to be carried on the District
medical insurance plan, if the unit member pays to the
District the total monthly premium due for said coverage. The
unit member should include in the request for leave
notification of intention to continue the insurance benefits.
Premium payments must be submitted to the District Payroll
Office no later than the 25th day of each month or the
coverage may be terminated.

F. There shall not be a diminution of employment status for
pregnancy disability or parental leave except that no person
shall be entitled to compensation, increment, or the accrual of
seniority for layoff or reduction in force purposes, nor shall the
time taken on parental leave count toward credit for
probationary teachers in earning tenure status.

G. Anytime during a leave for pregnancy disability or parental
leave, a unit member may request an immediate assignment
to a unit position. If there is no vacant position for which the
unit member is qualified, the District will assign the unit
member to a position as soon as practicable.

5. Industrial Accident Leave

A. Unit members will be entitled to industrial accident leave

Compensation Insurance program.

B. Such leave shall not exceed sixty (60) days during which the
schools of the District are required to be in session or when
the unit member would otherwise have been performing work for the District in any one (1) fiscal year for the same industrial accident.

C. The District has the right to have the unit member examined by a physician designated by the District to assist in determining the length of time during which the unit member will be temporarily unable to perform assigned duties and the degree to which a disability is attributable to the injury involved.

D. For any days of absence from duty as a result of the same industrial accident, the unit member shall endorse to the District any wage loss benefit check from the District's Worker's Compensation Insurance program which would make the total compensation from both sources exceed 100 percent of the amount the unit member would have received as salary had there been no industrial accident or illness. If the unit member fails to endorse to the District any wage loss disability, indemnity check received on account of the industrial accident or illness as provided above, the District shall deduct from the unit member's salary warrant, the amount of such disability indemnity actually paid to and retained by the unit member.

6. Bereavement Leave

A. A unit member shall be entitled to a maximum of three (3) days leave of absence, or five (5) days leave of absence if travel in excess of three hundred (300) miles one way is required,

C. A unit member shall be entitled to three and one half (3.5)
hours of bereavement leave in the case of a current student’s
death. The 3.5 hours shall be used only on the day of the
funeral service and for services that occur during the
contractual work day. There shall be no loss of salary or
accrued leave for the 3.5 hours of bereavement leave. Should
the funeral service(s) fall in the evening, on a weekend, or on a
school holiday, the 3.5 hours of bereavement leave may not be
utilized on another day.

7. Personal Necessity Leave

A. Accumulated sick leave, not to exceed eleven (11) days per
school year, may be used by the unit member in cases of
personal necessity. The District reserves the right to require
verification for any personal necessity absence, exclusive of No Questions Asked days.

1. Death of a member of the unit member's immediate family, as outlined in 6.B, above.

"Serious illness" shall include illness of a child of a unit member which is serious enough to require his/her presence, during his/her assigned hours of service. Accidents must be serious in nature, which under the circumstances, the employee cannot reasonably be expected to disregard, and which require the attention of the unit member during his/her assigned hours of service.

3. Immediate danger to the home of the unit member occasioned by flood, fire, smoke, theft, earthquake, wind, acts of serious vandalism, or threat thereof. These emergencies must be serious in nature, which under the circumstances, the unit member cannot reasonably be expected to disregard, and which require the attention of the unit member during his/her assigned hours of service.

4. Appearance in court as a litigant, party, or as a witness under an official order.
5. Adoption processing which cannot occur outside of school hours.

6. Doctor or dental appointments for immediate family members which cannot be scheduled outside the unit member's assigned hours of service.

9. Attendance at the funeral other than immediate family, not to exceed three (3) days per school year.

10. Other matters of a personal or business nature which the unit member cannot accomplish at another time, not to exceed one (1) day per year.

The immediate supervisor will verify the request for personal necessity leave and will make the appropriate recommendation. The unit member is not required to secure prior approval for leave in emergencies arising under Items 7.B: 2, 3, 10, and 11 above; however, in those instances, the absence will be created for the unit member by the authorized campus user.

E. Under all circumstances, a unit member shall verify in writing the personal necessity leave was used for purposes as set forth in Section B, above. A unit member will be subject to appropriate discipline if the leave was used for purposes other than stipulated.

8. Judicial Leave

A. Unit members will be provided leave for regularly called jury duty, and to appear in court as a witness under subpoena and not as a litigant and not because of the unit member's own connivance or misconduct. Any unit member who receives a summons to jury duty shall present to the Personnel Office
the verification of summons for jury duty ten (10) days prior to his/her reporting date. Unit members called to jury duty will notify the District's absence verification system as soon as they know their reporting time, no later than 6:30 a.m. on the day of absence. B. The unit member, while on approved judicial leave as set forth above, shall receive his/her full salary provided that the unit member endorses to the District any fee received for services rendered as a juror or witness, exclusive of actual mileage and expenses. 10. In-Service Leave

A. Upon the recommendation and approval of the site
